

## **Uley Parish Council Grants Policy**

Uley Parish Council is funded by the residents of Uley and therefore has only limited funds available to assist community organisations located and working in Uley for the benefit of the community.

Subject to funding being available, Uley Parish Council is committed to providing assistance and support to local community groups which are set up to promote community life for Uley residents. The Council's financial support is provided by way of Grants which are decided against criteria set by, and which can be amended from time to time by, Uley Parish Council.

Uley Parish Council are committed to following best practice in grant giving in order to provide sustainable funding and support to voluntary and community groups, whilst providing value for money for local taxpayers and ensuring that public money is spent in a responsible manner.

In order for this Council to be able to assess applications rationally and objectively, many of which will inevitably be totally dissimilar in content, it is both necessary and helpful to assess all applications received against a range of criteria. These are designed to be a general indication of need but are not exclusive and can be flexibly applied.

The Parish Council's policy on community grants is based on the principle of promoting the development of partnerships which encourage and enable local community organisations to deliver local projects to the residents of Uley. In general, the following principles apply:

- Assistance will be given on the basis of need, merit and contribution to the local community.
- Applicants must clearly show how any assistance given will benefit the people living in Uley or will benefit the environment of Uley.
- Any assistance given will be subject to ongoing monitoring and subsequent evaluation of the outcome of the grant.
- Organisations should not make a presumption that funding will continue on a year to year basis.

## **The Aims of the Council's Grant Making Policy**

Uley Parish Council provides grant funding to support the following aims:

- To enable local people to participate in voluntary groups and activities.
- To help the Parish's voluntary groups to improve their effectiveness.
- To ensure the provision of services, needed by the Parish's residents, via the voluntary sector.
- To support organisations which meet the needs of people experiencing social and economic difficulties.
- To ensure that there is equality of access and opportunity for all Uley Parish residents to the services it provides and funds.
- To improve or enhance the local environment.
- To achieve value for money.

Uley Parish Council defines a voluntary group as a non-profit making organisation, set up and run by a voluntary, unpaid management committee.
